

## FHS-UHE support bracket

FHS-UHE on UR5

### PRODUCT INFORMATION

The FHS-UHE makes fixing the cable protection conduit quick and possible without tools. The conduit is fixed with especially low cable wear for light, dynamic applications and without axial movement of the attachment. The specially coated hook-and-loop tape and the unique shape of the base element gives the system a tight fit on almost any contour. This makes the FHS-UHE suitable for nearly

all small robot cable routings.

Advantages:

- no additional components required
- especially gentle on cables
- secure hold, even on conical surfaces
- quick fit, without pre-drilling
- quick routing adjustment is possible during implementation

### SPECIFICATIONS

mod. polyamide PA 6  
Polypropylene (PP)  
Thermoplastic elastomer

Type	Order No.	Colour	Length of hook-and-loop tape mm	MOQ qty.
<b>suitable for Murrflex EW and EWX</b>				
FHS-UHE M25/P21 350	83693461	Black / Red	350.00	1
